In an increasingly inhumane world where values are diminishing, friendship remains a constant certainty.

A notion that is reflected most sincerely through a child's soul.

Ioan Hădărig

Art Director, "Inter-Art" Foundation, Aiud

the “inter-art” foundation aiud

The “Inter-Art” Foundation was set up in 1996 and proposes an alternative approach to contemporary art, as a link between civilizations and cultures, opening a worldwide arena for contemporary artists thanks to his active founding members Ștefan Balog, Ioan Hădărig, Robert Lixandru and those who have joined them over the time in coordinating projects: Zoltán Balog, Elena Cristea and Andrei Bakó. The basic principles and purposes are: representing contemporary art, discovering an area of cultural interference between artists from Romania and around the world and the organization of an international art camp in Aiud which aims to bring a new perspective to the contemporary art scene each year.
